LOOSE COFFEE BEANS

Our exclusive collection of more than 200 meticulously sourced 100% Arabica rare and specialty coffees features harvests from all corners of the world.

Hand-roasted in small batches according to traditional slow methods, our Single Origin, Fine Flavoured, Fine Blended and Naturally CO2 Decaffeinated beans are cultivated in 35 of the most well-reputed coffee producing countries and arrive in a stylish bag sealed for freshness.

From S\$16/100g

COFFEE BAG GIFT BOX COLLECTION

A treasure to behold from the moment it is given, each elegantly presented box from our collection of over 30 rare and specialty coffees features 12 - 25 individually wrapped coffee bags specially conceived to encapsulate the full aroma of each coffee inside.

An exceptional gift of exquisite quality, beautiful design and incredible innovation, our iconic Coffee Bag Gift Box ensures coffee lovers can enjoy the finest coffee anytime this holiday and anywhere this holiday with just a mug and hot water.

From S\$32

SIGNATURE NOMAD COLLECTION

A hallmark of the house of Bacha Coffee, each of the 18 coffees in this collection exudes an aroma from an exotic destination waiting to be discovered.

Flip the jewellery box clasp and fine details are revealed: an inner metal lid snugly seals the precious coffee within, ensuring freshness and a beautiful display piece to deck the halls of any home.

From S\$50, available in whole or ground beans.

EXPEDITION COLLECTION

Travel is on everyone's wish list this season. From the romantic boulevards of Paris to the world's highest summits, the Expedition Collection invites you to explore the world through an assortment of Single Origin and Fine Flavoured 100% Arabica specialty coffees presented in our signature opulent orange boxes.
